- Workshop Topics Include**
- Goal setting and Action Plan design
  - Resume, interview, elevator pitch
  - Business case for promotion
  - Career interest assessment
  - Creating your Financial Statements
  - How to build an emergency fund
  - Banking & managing credit
  - Saving money on insurance
  - Government programs to help you buy a home, fund education, or start a business with a \$2 match for \$1 saved
  - Smart shopping for cars and homes
  - Free income tax preparation
  - Estate and guardianship planning

***“Before I attended the workshops, I paid overdraft fees every month. Since starting, I have not paid a single fee, and I have saved over \$1,000 in 6 months and earned a \$200 match!”***  
- E.N.

***“I learned to believe in myself. I left a dead end job and found a wonderful job with full benefits and \$6,700 more pay.”*** - Y.M.

Workshops offered weekends and evenings. Everyone may apply regardless of income. Space is limited and you must pre-register and interview to start. Registration fee is \$36. Program fee is only \$10/week. Scholarships available.
